

This Web Development Contract ("Contract") is made and entered into on June 1st, 2024, by and between Colin Brown ("Developer") and Rao's ("Client").

Scope of Work:

1. Website Creation:

- The Developer agrees to create a website for the Client with the following pages:
 - Home
 - Gallery
 - Member App
 - Employee App
 - Contact page with email inquiry
 - Member and employee list view
- The Developer will also include the following
 - Database for member and employee information
 - Image storage for member photos
 - Hosting service to deploy site

2. Form Pages:

- The Developer will create two form pages:
 - A form page for members to fill in.
 - A form page for employees to fill in.

3. Check-In Page:

- The Developer will create a check-in page to allow employees to check in members.

Compensation:

- The total price for the project is \$1200.
- A payment of \$200 is due upfront upon signing this Contract.
- The remaining \$1000 is due upon completion and delivery of the project on June 10.

Completion Date:

- The completion date for the project is June 10. However, the deadline is flexible. The project will be considered complete when the above criteria are met. Some features may not be available until after the initial release as time is short.

Ownership and Rights:

- Upon full payment, the Client will own the website and all its content.
- The Developer retains the right to use the work for portfolio purposes.

Confidentiality:

- The Developer agrees to keep all project-related information confidential.

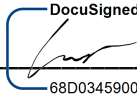

Termination:

- Either party may terminate this Contract in writing. If the Client terminates the Contract before completion, the Developer will retain the upfront payment.
- If the Developer terminates the Contract before completion, the Developer will refund the upfront payment.

Signatures:

By signing below, both parties agree to the terms of this Contract.
